

**EVEREST**  
**STONE CLADDING**

## Do you want the magnificence of stone without high cost, slow installation & heavy maintenance issues?

Introducing Everest Stone Cladding! Now you can have the stunning finish of stone and the enduring strength of cement! A popular finish in Europe, these are being manufactured by Everest in India. Pre-finished and ready-to-install with superior attributes, Everest Stone Cladding lend style and elegance to your residential, commercial and hospitality projects while giving you value for money by being less expensive than stone. Being lighter than stone, these reduce load on the building and help you generate considerable savings.

Bring in an ambience of sophisticated luxury with Everest Stone Cladding for varied exterior cladding applications in your homes, offices, showrooms, malls, resorts and more!

**Everest Stone Cladding.**  
**Light Weight. Heavy Savings.**
